High School Headquarters

2010-Profile # 1

Kalle Aura Orchard Park High School

Kalle played in the reserve group at our 9/17 Frontier match. On the first tee at Brierwood, he striped one down the middle and signed for a 37.

Kalle is an 11th grader, 6'5" tall, weighing in at 165lbs.

No school golf at home (Finland). He plays out of Keimola Golf Club, Finland. He has played in Finland Junior National Tournaments since 2005.

Kalle is adjusting well to our American culture. He raves about our school lunches because he is used to health foods for lunch back at home. He is a fan of the Wendy's Baconator.

Kalle is not used to our greens at all. He is used to putting on greens the length of our fairways at OPCC. Our goal for Kalle is to get him to experience the ECIC Championship on 10/12. Kalle will try out for the OPHS Varsity Hockey Team this winter.
